

Elektramusik - Submission Form

for use for all Elektramusik projects (Webradio, CD production, call for works,,...)

Agreement : between the composer and Elektramusik :

1. The Composer authorizes Elektramusik to use the recording of his composition(s), as listed below.
2. Only the version submitted by the Composer may be used by Elektramusik. Elektramusik can edit supplied texts as required, and can use extracts of submitted musics for promotional use.
3. The Composer acknowledges that he relinquishes any claim to any form of remuneration from Elektramusik. The composer will receive via the french authors rights society (SACEM) his royalties/authors rights through the performing rights/authors rights society with which he is affiliated.
4. The Composer shall retain copyright and all other rights for this composition, including performance rights and the right to include it in productions, distributions and projects other than those pertinent to Elektramusik projects.
5. The Composer assumes responsibility for obtaining permission for use of other authors' texts and/or other creators' works where necessary and notifying and obtaining any necessary permission from any person(s) involved in the performance and/or recording of this work. The Composer hereby indemnifies Elektramusik from any action or damages resulting from her/his failure to obtain such permissions or from any challenge to her/his claim to ownership of this work.
